MICHAEL PATRICK CEOL

Overview

Michael Patrick Ceol is the cinematic and experimental electronic identity of Arizona musician Bear Cole. Horror and science-fiction atmosphere, haunting melodies, ambient space, synthesizer exploration, and detailed sound design build places to get lost in. Some recordings move with a pulse; others let tension and texture tell the story.

Biography

Michael Patrick Ceol is the cinematic and experimental electronic identity of Arizona musician Bear Cole. Horror and science-fiction atmosphere, haunting melodies, ambient space, synthesizer exploration, and detailed sound design build places to get lost in. Some recordings move with a pulse; others let tension and texture tell the story.

Part of 1st Drop Music, the musical universe created by Bear Gallagher-Cole, known publicly as Bear Cole. Its ten distinct artist identities each have their own sound and visual world. Collaborators retain the credits attached to their individual recordings.

For your story

Michael Patrick Ceol is the cinematic and experimental electronic identity of Arizona musician Bear Cole. Horror and science-fiction atmosphere, haunting melodies, ambient space, synthesizer exploration, and detailed sound design build places to get lost in. Some recordings move with a pulse; others let tension and texture tell the story. Explore the official catalog for recordings, videos, artwork, and release-specific credits.
