Underground

Overview

Underground is an official playlist from independent label and creative network 1st Drop Music. A cross-genre selection from beneath the polished surface of the 1st Drop catalog. The collection focuses on alternative hip-hop, independent electronic music, outsider songwriting, dark pop, and uncompromising experiments. This edition currently brings together 16 tracks, sequenced as a living catalog route rather than a fixed greatest-hits package. Built as part of the label's connected discovery system, the playlist gives listeners a clear thematic path through

original recordings while preserving the distinct identity of every artist and project represented.

The story

A cross-genre selection from beneath the polished surface of the 1st Drop catalog. Expect alternative hip-hop, independent electronic music, outsider songwriting, dark pop, and uncompromising experiments. This edition currently brings together 16 tracks, sequenced as a living catalog route rather than a fixed greatest-hits package. Follow the playlist as new and archival music is connected across 1st Drop Music. The sequence is designed for discovery: familiar entry points can sit beside overlooked recordings, alternate approaches, and connections between the label's distinct artist identities. It is part of the wider 1st Drop Music network, where playlists help listeners move naturally among artists, releases, stories, videos, and original productions.
