multiple names when making music to help his listeners narrow in on the sounds they like. You can visit to open up the full experience. This song serves to show what is in store on the soon to come 2 album release from Bear and a few of his alter-egos - something very new and different. "I want to take what we started at 1st Drop Music and bring it into a whole new realm. I want to explode the boundaries of genre, and provide a deep catalog of music for music fans of all different kinds of music." added Bear Gallagher-Cole. "This song and Ghost Heart which I am releasing together on St. Patrick's Day 2024 give a small glimpse into the vision. Bringing my love for Hip-Hop, Alternative Rock, Goth, Country, Folk, Electronic, and Dark Rap into a 2 part package." "Missing Person" delves into the emotional journey of searching for a lost lover, capturing the raw essence of longing and desperation. Bear says he wrote it after watching relationship dynamics all around him. "I took experiences I saw with family and friends in relationships and try to write through their eyes. I used to be a bit too literal and personal in my songwriting so I have been working on getting out of my bubble, and writing music that is more universal." With poignant lyrics depicting the agony of waiting for a message, pleading for a call, and clinging to the slightest hope of salvaging the relationship, the song resonates deeply with listeners. Cole's melodic production and Astronot's masterful storytelling combined... Official press information, artwork, credits, and listening destinations are maintained by 1st Drop Music.
