Werewolf teeth after transformation Spotted up with dots bloody red Dalmatian I can smell through your weakling hesitation Hungry like the wolf feed off trepidation We roam these streets and woods like banshees Screaming angry songs like a wild chimpanzee Let's take a stroll with the other boys and girls and eat em whole It's happening again I'm tired of men My fingers stretch out into claws again My teeth

bend saber below my chin Covered in thick hair not an inch of skin Now you to play with me let's have some fun I don't play nice so it's time to run Run I need the taste of flesh I'ma get me some You took advantage Weighed me down with all of this baggage Your Fucking T-shirt says Savage Do you know what a real savage is? What that shirt means To reservation kids Just a forgotten invalid With warts like a warlocks growths That hang like bats from my eyelids Blink You hurt me so evil so inconceivably dirty Now I am overtaken with anger Not the same me after 12:30 When the moon raises just right I get revenge with my bite I'll bend your limbs into a pretzel now It's useless to fight The wolves are howling The moon is high I paint your nightmares Across a dark night sky You could have listened You could have tried But it's too late for all that now And I'm Justified I'm Justified You could have listened You could have tried But it's too late for all that now And I'm Justified The W.O.L.F. is a single by Bear the Astronot, released January 28, 2022 and connected to Alternative Hip-Hop, Experimental, and Hip-Hop.
