Love Is A Raindrop

Overview

Bear the Astronot presents Love Is A Raindrop, a single released on January 28, 2022. Love Is A Raindrop LYRICS LOVE IS A RAINDROP Every story has an arc like an arrow through a heart cupid dart Love is not smart Blink and you miss the best part Here is something I learned in relationships Everyone is a shark Just a cold black eyed killer With a face like special effects MJ thriller Steam raised off their breath Out back by the shed Rain drops shatter like glass off my head When she's gone I feel like these these rain drops are lead Love is like Rain Drops

Knocking on roof tops Can't survive without it So you fall non stop So you fall non stop Love is like Rain Drops Knocking on roof tops Can't survive without it So you fall non stop So you fall non stop Love can make you take every bit of yourself Rip it all into pieces And leave your dreams on a shelf Make you think since all you have is a pair Play the cards that your dealt But we're Teddy Roosevelt you'll get a new deal Love from a woman for every cent that I own Including my home Oh man that's a steal If it costs that much how can our love not be real Love isn't something you own It owns you When it's something you feel Love is like Rain Drops Knocking on roof tops Can't survive without it So you fall non stop So you fall non stop Love is like Rain Drops Knocking on roof tops Can't survive without it So you fall non stop So you fall non stop I wouldn't be alive if it wasn't for the love from my wife Just like rain without love We wouldn't have life Love is full of compromises and sacrifice In a dark cold cave Love is my light I paint the walls in heiroglyphics How can something so sadistic Make me feel so terrific If I'm really realistic I never had drive until I tasted her lipstick It's pleasure and pain Helps me weather the rain Love is like Rain Drops Knocking on roof tops Can't survive without it So you fall non stop So you fall non stop Love is like Rain Drops Knocking on roof tops Can't survive without it So you fall non stop So you fall non stop Love Is A Raindrop is a single by Bear...
