Stabstab

Overview

Michael Patrick Ceol presents STABSTAB, a single released on January 27, 2023. "STABSTAB" by Michael Patrick Ceol is a thrilling ride through the darker side of electronic music, designed specifically for fans of horror. As a composer known for his immersive scores in film and video games, Ceol channels his passion for the genre into this high-energy track. From the moment the song starts, the eerie synths and haunting melodies set a chilling tone, while driving beats propel the track forward with an irresistible sense of urgency. The track features a series of

unsettling, punctuated stabs—both in rhythm and sound—that mimic the tension and unpredictability of a suspenseful horror scene. The first drop is a cinematic spectacle, crashing in with intense bass and frenetic rhythms that evoke the rush of a chase or the climax of a spine-tingling scene. Ceol's masterful use of electronic effects and atmospheric textures creates a palpable sense of dread, making "STABSTAB" a perfect companion for any horror-themed project in need of a high-octane, heart-pounding soundtrack. Whether you're gearing up for a suspenseful game level or a nerve-wracking film sequence, this track delivers a thrilling, immersive experience that keeps the adrenaline pumping. STABSTAB is a single by Michael Patrick Ceol, released January 27, 2023 and connected to Electronic, Ambient, Cinematic, and Orchestral. Official press information, artwork, credits, and listening destinations are maintained by 1st Drop Music.
