Bubbly Champagne

Overview

Feral Business presents Bubbly Champagne, a single released on June 18, 2024. Feral Business Explores the Haves and the Have Nots on their new track "Bubbly Champagne" Feral Business is back, and they're pushing boundaries once again with their latest release, "Bubbly Champagne." Known for their unique blend of dance rock, EDM, goth, alternative, and house, Feral Business continues to evolve their sound, delivering a track that is as provocative as it is danceable. "Bubbly Champagne" is a dark, dance-filled, flippant rant on popular culture,

economics, and conspiracy theories. The song encapsulates the essence of Feral Business's signature style—tongue-in-cheek social commentary that pokes fun at the more sinister and serious sides of life today. The track opens with a pulsating beat, quickly drawing listeners into a world where dance rock meets electronic dance music. As the song progresses, elements of goth and alternative music emerge, creating a rich, textured soundscape. The house influences keep the energy high, ensuring that "Bubbly Champagne" remains a track you can’t help but move to. Lyrically, Feral Business doesn't hold back. "Bubbly Champagne" is rife with witty, sardonic observations about the absurdities of modern life. From the relentless march of consumer culture to the ever-present undercurrent of conspiracy theories, the song tackles these themes with a blend of humor and critique. Feral Business's ability to blend dark themes with infectious rhythms is what sets them apart. "Bubbly Champagne" is a testament to their knack for creating music that makes you think while you dance. It's a celebration of the absurd, a toast to the chaos of contemporary society, all set to a beat that won't quit. For those familiar with Feral Business, "Bubbly Champagne" is a welcome addition to their discography. For new listeners, it's the perfect introduction to a band that defies easy categorization but always delivers something memorable.
