Nedomesticit

Overview

Feral Business presents NEDOMESTICIT, a album released on October 1, 2024. Feral Business's debut album NEDOMESTICIT is a fierce declaration that ferality is more than just a theme—it's a way of life. This electrifying project seamlessly blends Alt-Rock, Dance, Electronic Dance, Goth, and Darkwave into a cohesive soundscape that bursts with energy. With heavy use of synthesizers and guitars, paired with infectious, danceable drums, the album draws upon post-punk influences that give it an edge. Hailing from Northern Arizona, Feral Business has rapidly

gained attention in the Alternative music scene. Their sound, while unique, nods to a wide range of influences, including David Bowie, Bauhaus, LCD Soundsystem, and Boy Harsher. The result is a sound that feels both nostalgic and entirely fresh, mixing dark, haunting tones with moments of fun, sarcasm, and raw energy. NEDOMESTICIT is more than just music—it's an experience filled with cynical commentary wrapped in infectious grooves. As Feral Business continues to make their mark, they're already back in the studio working on their second album. Dive into NEDOMESTICIT and experience the feral spirit that defines their sound. NEDOMESTICIT is a album by Feral Business, released October 1, 2024 and connected to Alternative, Punk, and Rock.
