Click More To Learn More Bear the Astronot Redefines Boundaries with DUST Bear the Astronot, the veteran MC from Northern Arizona, continues to push the limits of creativity with his 15th studio album, DUST. Released as a 1st Drop Music Snowball Release, DUST showcases Bear's signature blend of Alternative and Indie Hip-Hop while embracing his fearless approach to genre exploration. With a career spanning multiple genres and influences, Bear the Astronot is no stranger to

innovation. DUST is a testament to his versatility, offering a soundscape that seamlessly blends boom bap, electronic, singer-songwriter, rock, and country influences. The result? An album that feels as expansive as the universe it draws inspiration from. The Concept of DUST What makes DUST stand out is its duality. Bear the Astronot is currently working on two Snowball albums : • Arizona : A collaboration with Turntable Kachina, Arizona focuses on the nostalgic Old School Hip-Hop sound that propelled Bear's early career. It's a nod to the boom bap beats and conscious lyrics that helped him tour, win awards, and perform alongside legends like Atmosphere, Sage Francis, Jurassic 5, and P.O.S. • DUST : In contrast, DUST is Bear's experimental playground. Free from constraints, this album is an exploration of genres as they relate to Hip-Hop, filtered through Bear's unique perspective as "The Astronot." It's a project that thrives on creative freedom, allowing Bear to do, as he says, "whatever the f*** he wants!" This dual-project approach highlights Bear's ability to honor his roots while boldly venturing into new territories. The Sound of DUST DUST captures Bear the Astronot's signature style while pushing it to new heights. The album blends the gritty, lyric-heavy foundation of Hip-Hop with a kaleidoscope of sounds and influences. What to Expect: • Boom Bap Meets Experimentation : Tracks on DUST are rooted in Hip-Hop but aren't afraid to deviate, incorporating unexpected elements from other...
