Telling Me to Kill

Overview

Bear Cole presents Telling Me To Kill, a single released on March 14, 2023. "Telling Me To Kill" by Michael Patrick Ceol and Bear Cole is a monumental dance track that seamlessly blends dark, expansive synths with pulsating rhythms, capturing the very essence of 1st Drop Music's signature sound. This collaboration showcases Ceol's expertise in crafting cinematic electronic music and Cole's flair for creating powerful, danceable beats. From the outset, the track envelops listeners in a vast soundscape where brooding synths create an atmospheric tension.

The expansive, layered textures build an immersive backdrop, while driving basslines and sharp percussion elements inject a relentless energy into the mix. The track’s sweeping synths and hypnotic melodies establish a foreboding mood that contrasts sharply with its infectious dance rhythm, creating a unique and compelling auditory experience. Each drop and build-up is meticulously crafted to keep the listener on the edge, as the track alternates between intense, high-energy segments and darker, more introspective moments. "Telling Me To Kill" perfectly encapsulates the haunting allure and expansive sound of both Michael Patrick Ceol and Bear Cole, making it an electrifying addition to any dance playlist or cinematic score that demands an intense, atmospheric edge. Telling Me To Kill is a single by Bear Cole, released March 14, 2023 and connected to Electronic, Ambient, Cinematic, and Deep House. Official press information, artwork, credits, and listening destinations are maintained by 1st Drop Music.
