Dip

Overview

Bear Cole presents Dip, a single released on April 3, 2026. Dip — A Collision of Groove, Bass, and Indie Dance Energy Three Artists, One Unified Groove Dip is what happens when three distinct sonic identities come together and fully lean into collaboration. Each artist brings their own flavor: Bear Cole melodic structure, indie songwriting sensibility, and dancefloor flow RACK WIDOW hypnotic house grooves, analog warmth, and deep rhythmic control WUUYUH bass-driven energy, experimental textures, and signature vocal flips The result is a track where

those elements don’t just coexist—they interlock. This is not a feature. This is a fusion. Funky House Meets Indie Dance At its core, Dip is built for movement. The track rides on: a galloping, funk-infused bassline crisp four-on-the-floor house rhythm post-boogie inspired synth textures layered vocal chops and flips There’s a bounce to it. A swing. A groove that pulls you in and keeps you there. It feels: nostalgic, yet modern playful, yet precise loose, yet locked in This is Indie Dance with a purpose—to move people. Arizona Sound — Tucson to Flagstaff Dip is also a reflection of place. Created within the evolving creative ecosystem of 1st Drop Music, the track captures the energy of: Tucson — desert heat, late nights, and deep grooves Flagstaff — mountain air, experimentation, and atmosphere That blend of environments translates directly into the music. It’s part of what defines Southwest Soul —a sound shaped by landscape, culture, and collaboration. Built for the Dancefloor (and Beyond) Dip is versatile in the best way. It works: in the club in the car in headphones in a workout in a DJ set The groove is undeniable, but the details keep revealing themselves with every listen. The Fun Side of 1st Drop Music While much of the 1st Drop Music catalog explores depth, storytelling, and emotion— Dip leans into something equally important: fun. This track captures: the joy of collaboration the freedom of genre-blending the energy of artists creating without… Official press information, artwork, credits, and listening destinations are maintained by 1st Drop Music.

The story

 Dip — A Collision of Groove, Bass, and Indie Dance Energy Three Artists, One Unified Groove Dip is what happens when three distinct sonic identities come together and fully lean into collaboration. Each artist brings their own flavor: Bear Cole melodic structure, indie songwriting sensibility, and dancefloor flow RACK WIDOW hypnotic house grooves, analog warmth, and deep rhythmic control WUUYUH bass-driven energy, experimental textures, and signature vocal flips The result is a track where those elements don’t just coexist—they interlock. This is not a feature. This is a fusion. Funky House Meets Indie Dance At its core, Dip is built for movement. The track rides on: a galloping, funk-infused bassline crisp four-on-the-floor house rhythm post-boogie inspired synth textures layered vocal chops and flips There’s a bounce to it. A swing. A groove that pulls you in and keeps you there. It feels: nostalgic, yet modern playful, yet precise loose, yet locked in This is Indie Dance with a purpose—to move people. Arizona Sound — Tucson to Flagstaff Dip is also a reflection of place. Created within the evolving creative ecosystem of 1st Drop Music, the track captures the energy of: Tucson — desert heat, late nights, and deep grooves Flagstaff — mountain air, experimentation, and atmosphere That blend of environments translates directly into the music. It’s part of what defines Southwest Soul —a sound shaped by landscape, culture, and collaboration. Built for the Dancefloor (and Beyond) Dip is versatile in the best way. It works: in the club in the car in headphones in a workout in a DJ set The groove is undeniable, but the details keep revealing themselves with every listen. The Fun Side of 1st Drop Music While much of the 1st Drop Music catalog explores depth, storytelling, and emotion— Dip leans into something equally

important: fun. This track captures: the joy of collaboration the freedom of genre-blending the energy of artists creating without limits It’s a reminder that music doesn’t always have to be heavy to be meaningful. Sometimes, it just needs to move you. Final Thought Dip is more than a collaboration—it’s a snapshot of a moment. Three artists. One groove. Arizona energy running through every layer. Turn it up. Let it ride. And when it hits… Dip into the rhythm.
