Oasis

Overview

Bear Cole presents Oasis, a single released on April 10, 2026. Oasis — A Dancefloor Escape Nostalgia Meets Future Sound Oasis pulls from the golden eras of dance music—channeling the warmth and groove of 90s and early 2000s electronic production while pushing forward into modern indie dance and future house territory. You can feel the influence of: classic house and trance atmospheres early Nu-Disco groove and funk melodic club music from past decades But it never feels retro—it’s reimagined through a modern lens, creating a track that feels both

familiar and forward-thinking. Lush Synths & Hypnotic Movement At the core of Oasis is its immersive sonic design. The track is driven by: lush, evolving synth layers that create depth and atmosphere hypnotic vocal samples that drift in and out of the mix a steady, pulsing rhythm built for movement subtle melodic progression that keeps the energy flowing The groove is constant, but the textures evolve—drawing the listener deeper into the sound with every moment. RACK WIDOW's Deep House Foundation RACK WIDOW brings a strong house backbone to the track: hypnotic four-on-the-floor rhythm analog-inspired sound design deep, rolling groove This foundation anchors the track, giving it a club-ready feel while maintaining an atmospheric edge. Bear Cole's Melodic Atmosphere With Bear Cole's influence, Oasis expands into a more melodic and emotional space. His contribution adds: indie dance sensibility layered musicality a sense of openness and flow Together, the collaboration balances groove and emotion, creating a track that feels expansive without losing its rhythm. Tucson Nights — Arizona Energy Created within the Tucson, Arizona music scene, Oasis reflects the energy of: desert nights underground dance culture open space and atmosphere This sense of place adds depth to the track—helping define the evolving Southwest Soul sound of 1st Drop Music. Built for the Dancefloor & Beyond Oasis is versatile and immersive: perfect for late-night DJ sets ideal for melodic house… Official press information, artwork, credits, and listening destinations are maintained by 1st Drop Music.
